

### REMARKS

The Office Communication mailed May 9, 2008 indicates that the Response filed on January 17, 2008 did not present a complete listing of all of the claims.

In response, Applicants provide herewith an updated Listing of Claims in which claims 2 and 8 are amended and claims 76-79 are added. Claims 71-75 are canceled without prejudice or disclaimer. Upon entry of the amendment, claims 2-4, 8, 11, 12, 27-29, 32-41, 68, and 76-79 will remain pending and under consideration.

Applicants note that the present communication supplements the Amendment submitted January 17, 2008 and thus, contains only an updated Listing of Claims. Applicants direct the Examiner's attention to the Amendment of January 17, 2008, in which all of the rejections of the Office Action mailed August 24, 2007 are addressed.

In view of the Response filed herein and the Amendment of January 17, 2008, Applicant respectfully submits that all claims, including newly added claims, are now properly listed and are in condition for examination on their merits.

### CONCLUSION

Applicants believe that the present application is now in condition for allowance. Favorable consideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
